About Cakesmashes!

Welcome to a world of sweet memories, messy fun and pure joy! My cakesmash sessions are designed to celebrate your little one's big milestone in the most delightful way - by diving into a cake, giggling through mess, and capturing those precious, once-in-a-lifetime moments.

With a mix of playful setups, beautiful backdrops, scrummy cakes and a touch of magic, we create a relaxed experience for both parents and little ones. Whether it's bright and colourful or soft and whimsical, each session is tailored to your vision, ensuring timeless photographs you'll cherish forever!

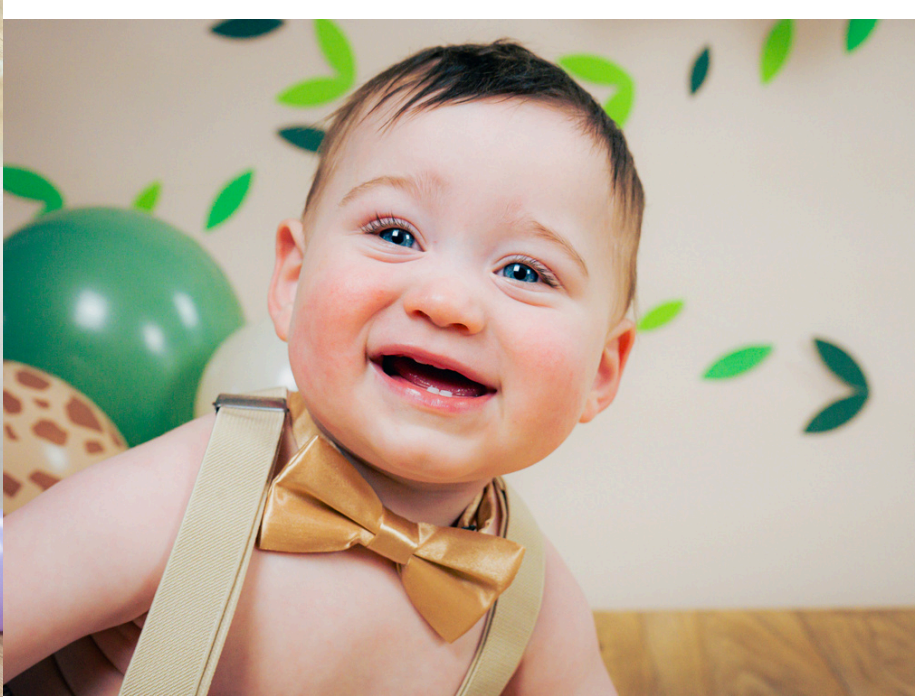

Let's celebrate, smash, and capture the joy - one cake-covered smile at a time!

Did you know, I also offer
Cakesmashes on location!

Eat cake like nobody's watching...
They're too busy laughing anyway!

Backdrop Catalogue

All of my Cake Smash backdrops are designed to complement your vision style, from bright and playful themes to soft and timeless setups, there's a huge amount of choice!

Whether you prefer a wholesome floral scene, a fun balloon filled background, or a simple, classic look, we will work together to turn your theme vision into reality.

Each backdrop is chosen by you... It's important to design something your little one will love!

Thinking of something a little different than what we have here? Let me know, I love creating something new!

Lets talk Cakes!

I'm delighted that we are able to offer delicious, themed cakes as part of my cake smash sessions! Clients can choose between a light and fluffy vanilla sponge or a rich chocolate cake, both beautifully frosted with buttercream to match the theme you have selected for your little one. To try an cut any waste, if any cake is salvageable, I will 100% send it home with you! Cakes are baked within the company by my amazing husband Tom, who was an avid covid baker, much to my benefit as you can imagine! He now proudly holds a Level 3 Food hygiene certificate and supplies all of our beautiful cakes for your little ones to destroy! Haha, sorry Tom!

Allergies?

For those with dietary restrictions, we also offer vegan options to ensure everyone can enjoy the fun. Our cakes are made with love, and there's no extra charge for them as they're included in the session price. If your little one has allergies, please make sure you tell me so we can organise appropriately, or why not try an alternative to cake? Please see below!

Not a fan of cake?

If your little one isn't a fan of cake, we offer a variety of tasty alternatives like fruit, doughnuts, pancakes, cookies, jelly and even a spaghetti smash—whatever works best for your tiny tot!

Our personal touch!

To make the experience even more special, each session includes a personalised wooden spoon engraved with your child's name and a charming design to match their theme, all at no additional cost. It's the perfect keepsake to remember this precious milestone!

What to wear & bring with you!

For your little one's cake smash session, we encourage you to choose an outfit that complements the theme you've selected. This is the only part of the session you'll need to organise, so have fun picking something that fits the vibe—whether it's a cute romper, a tutu, a themed costume, or a crown, the options are endless!

Since we take care of everything else, including the cake, décor, and personalised wooden spoon, you can relax knowing the rest is all sorted for you. The right outfit will make the photos pop and add that special touch to capture this adorable milestone!

After your session, not only your little one, but you will be covered in cake too, I don't know how but it just happens! While I provide them, you can never prepare enough wet wipes for the clean down!

Cakesmash FAQs

1. What is a cake smash session?

A cake smash session is a fun and memorable photoshoot where your little one gets to dive into a specially designed cake! It's typically done to celebrate milestones like a first birthday. We create a playful and colourful environment to capture your baby's reaction to the cake, which leads to some adorable moments.

2. Can I bring my own cake?

While we provide cakes tailored to your theme and dietary needs, you're welcome to bring your own cake if you prefer. Just let us know in advance so we can ensure everything is prepared accordingly.

3. What should my child wear to the session?

We recommend you choose an outfit that matches the theme you've selected for the shoot. Whether it's a cute romper, a tutu, or a themed costume, the outfit is up to you! It's the one thing you need to bring, as the cake, décor, and personalised wooden spoon are all provided.

4. Is there an additional charge for the cake or decor?

No, everything is included in the session price. The cake, themed décor, and a personalised wooden spoon are all part of the package—there are no hidden fees.

5. What if my child has allergies or dietary restrictions?

We take allergies seriously! We offer vegan cake options, and we can accommodate other dietary needs upon request. Just let us know in advance, and we'll make sure your child has a safe and enjoyable experience.

6. Can my child do something other than smash a cake?

Absolutely! If your little one isn't a fan of cake, we offer alternative options such as fruit, doughnuts, pancakes, cookies, or even a spaghetti smash. The world is your oyster! Just let us know when booking what works best for your child.

7. Do you provide a keepsake?

Yes! Every session includes a personalised wooden spoon engraved with your child's name and a small design that matches the theme, such as an animal or a symbol. It's a charming keepsake that's included at no additional cost.

8. How long does a cake smash session take?

Typically, a cake smash session lasts around 45 minutes to 1 hour. This gives us plenty of time to ease your little one into the session, to capture all the fun, from the initial moments to the cake smash and clean-up.

9. What do I need to do to prepare for the session?

The main preparation is deciding on a theme and an outfit for your little one! We'll take care of the rest. Be sure to bring a change of clothes for your child afterward, as it can get messy, and don't forget any special items like a favourite toy to help keep your little one comfortable.

10. Where is your studio?

The address for the studio is:

Unit 25, Dowren House, Foundry Lane, Hayle, TR274HD.

For those that would like a visual guide, there is one saved to my Instagram highlights!
